

BIZWORLD™

The BizWorld Foundation

Discover

Classroom programs that allow students to uncover their individual potential.
A unique opportunity for students to experience project-based interdisciplinary programs aligned to national Math, ELA and Social Studies standards that fully engage students.

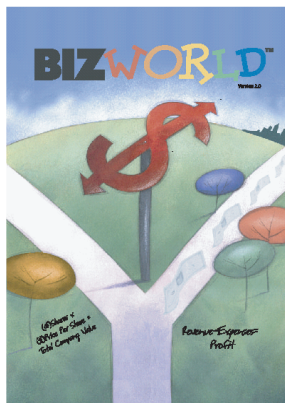

Experience

A classroom where students are eager to learn and work together.
Create an environment where 3rd through 8th grade students are part of teams working cooperatively and engaged in shared decision making.

Benefit

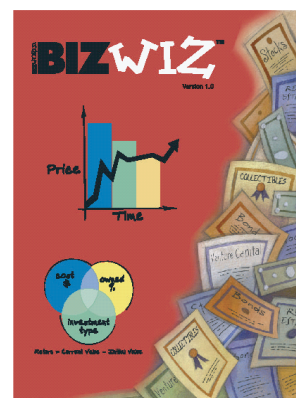

From programs that bridge the gap from conceptual knowledge to practical application.
Students study business concepts and immediately apply their learning as they manage simulated businesses.

BIZWORLD

Working in teams, students start and run their own small businesses in a simulated friendship bracelet industry. Students take on roles in the design, manufacturing, marketing and sales of their products in the BizWorld marketplace.

BIZWIZ

Students work in teams to set financial goals, plan their trading strategy, create a diversified portfolio and track their investments. Playing the roles of analysts, controllers and traders students use prior knowledge while learning the basics of saving and investing.

Each program is \$89 and contains all necessary materials.
Online grants are available based on geographical location and the percentage of students who qualify for free and reduced lunch.
